

Fishers Mobile Farm

Boundary received a visit from Fishers Mobile Farm! This special event not only gives the opportunity for children to see animals they may not have seen before up-close but it supports their learning journey across Science, Geography, PSHE, Maths and even Reading into Writing!

Year 2 and Year 6 SATs

Well done to all the children, staff, parents and carers of our Year 2 and Year 6 children. We are so proud of each and every pupil and the dedication they have shown during their SATs weeks.

Mental Health Awareness Day

The 15th May saw the beginning of Mental Health Awareness Week. As part of our whole school assembly, children and adults came together to refresh our understanding of what Mental Health means, how we can improve our own Mental Health and who can support us during times we might feel anxious.

King Charles III Coronation

Our day began with a whole school assembly looking at what happens during a Coronation and where it will take place. Children took part in a variety of 'Royal Games' including 4 Kingly Corners, Tin Can Alley and Croquet! Lessons had a distinctly royal theme! Each child made their own crown to wear to their 'Royal Banquet' where they toasted the King before tucking into a meal fit for a monarch!

Sports Round-up

In PE this half-term we have seen plenty of athletics action preparing for our KS1 and KS2 sports days! We have visited Bolton Arena to take part in the KS2 Multi-Skills Panathlon Final which saw us compete against other schools across Lancashire, where we placed 4th out of 7. We also visited Bloomfield Road to take part in the Fit2Go Quiz which tested Year 4's knowledge of the course, competing against other schools, where we missed out on first place by just 2 points! A close encounter but a fantastic effort. We look forward to seeing what opportunities the next half-term brings!

Sports Days

Reception, Nursery and Key Stage 1 had some beautiful weather for their Sports Days this year and there was some excellent demonstrations of the 'Always Characteristics'. Well done to all children who took part and thank you to all the parents and carers who came to watch and cheer on their child. The results of the winning house teams will be published on our Facebook page—look out for pictures from the day too!

We are looking forward to Key Stage 2 sports day next term!

Attendance

Our overall attendance is currently 92.3% - we must aim to be above 96% so here's hoping this figure improves!

Please remember that if your child is ill or has an appointment, you must provide the school with evidence, otherwise absences will remain unauthorised. Please ensure that your children are in school every day and dropped off and collected on time.

Holidays during term time will not be authorised and if taken, penalty notices will be issued.
