

'We work as one to be the best that we can be'

Spring 2  
2023

### Safer Internet Day

Following a whole-school assembly, children were asked to talk openly and honestly about their experiences online, both positive and negative. Teachers gave the pupils different real-life scenarios and asked them to discuss how they would feel if it happened to them and what they would do.

### Waste Week

This years theme is reducing the use of paper and paper towels in school. Using hand dryers will save money and reduce the number of trees cut down to produce paper towels. We will also continue to recycle paper and card.

### Boundary's Budding Stars

After running so many amazing clubs this year, we hosted our first Boundary Budding Stars Showcase evening where pupils from across school performed. Talented pupils from Reception to Year 6 showed us their skills in drama, dance and song with Ballet Club, Bollywood, Schools Alive, Samba and Choir all performing brilliantly. Year 5 showed us their Tempest performance from the Grand Theatre and KS1 music club sang too!

Thank you to all our wonderful children for taking part and for the support and encouragement of their parents and

### Science Day

We were lucky enough to have the brilliant WonderDome visit our school. During the day each year had their own focus from astronauts to constellations. We created art, writing and listened to space themed music.

### Comic Relief

Children dressed up as their favourite Mr. Men and Little Miss character or wore something red to help raise money! We raised a fantastic £130! Thank you!

This half-term has seen a fantastic range of trips, competitions and sports clubs across the school! Boundary's Boccia Team represented Blackpool & Lancashire and came 5th overall in the Regional Finals. Our KS2 Multi-Skills team struck gold and won first place at their competition, and will now represent Blackpool at the Regional Finals! Both our girls and boys football team represented the school, with the boys progressing in their competition after a 2-1 win vs Marton. We had our first Netball fixture of the season hosted at Boundary vs Moor Park as well as our Y3 girls taking part in a fantastic superhero themed football festival. Well done to everyone involved!

### Art Day

From Nursery to Year 6 you could hear the sound of paper being ripped and cut as the children created collages of different things you can find in Blackpool. From transport to trees and The children have created some superb pieces of art!

### World Book Day

Happy World Book Day 2023! Thank you to all those who the children and staff who dressed up today...we are a very proud Reading School!

## Attendance

Our overall attendance is currently **92.6%** – although slightly better than last term, we must aim to be above 96% so here's hoping this figure improves!

Students are happy to receive their 100% badges each half term, there are 6 to collect overall so hopefully some children will receive all six!

Please remember that if your child is ill or has an appointment, you must provide the school with evidence, otherwise absences will remain unauthorised.

Please ensure that your children are in school **every day** and dropped off and collected on time.

Holidays during term time will not be authorised and if taken, penalty notices will be issued.

## Easter Disco

As the term drew to a close, children from across school celebrated Easter with our annual disco—hot dogs, drinks and crisps and A LOT of dancing! We hope you all had a great time!

## Choir of the Year 2023

Wow! What an experience!

We are very proud of our choir who performed at the Blackpool Tower Ballroom. A big thank you to Mrs. Casey and Mrs. Pope for all of their time and effort given to the children, and to all of the other staff, parents and carers who attended the evening.
