Comments:

CHILD has settled in very well.

I would encourage if children get some homework so they will be more confident and excellent in their work.

Child is happy, loves coming and hates to leave. He is having disagreement with other child but in progress of working it out.

Difficult to answer is child is non-verbal.

Nursery is amazing, CHILD loves it, staff are great even with her struggles. Always available for any issues.

Lovely staff and school. Very pleased.

Mrs. Farley is excellent. CHILD is achieving well and I am confident in all staff at Boundary.

Great school, always welcoming. Offering great support for my son.

I have been coming to Boundary now for nearly 20 years and it is still a good school.

Best decision I ever made was moving my children to Boundary. My children are happy and their attitude to learning has changed.

I am happy about my child's progress. Thanks.

I think my child is making good progress. Just need to focus on attendance as there are reasons. 100% for the rest.

The school is very friendly to improve education. Thank you

The school is amazing. The way my child is treated is very good and fair.

No issues. I do suggest though that children on push bikes and scooters coming to and from school especially around KS1 area is stopped as there is heavy foot fall and traffic and it becomes dangerous for child and others at busy times. Otherwise happy so far.

Since CHILD has started Boundary she has come on leaps and bounds, she likes her teacher and has lots of friends. I am very happy with the school all round a very pleasant school.

My child is very happy at Boundary, he has a great relationship with his teacher and is excelling in his work.

We are very happy with Boundary Primary School, our son is making fantastic progress. He literally sings walking to school.

Great school and will help encourage developing knowledge.

I'm so happy with Boundary Primary School, studies and behaviour all very good. I'm happy with my child's progress also. I'll definitely recommend to my friends also. I'm so proud about the school she has.

Thank you, Boundary staff, for taking care of our child.

Well satisfied. Thank you.

Very good team of teachers. Thank you for what you do!

Found Boundary to be a good school.

My daughter is doing great at this school.

Amazing office staff.

Boundary school is fantastic. I'm very proud that my children have gone and still are at this school. I would recommend you a thousand times over to parents who are looking for a school.

Boundary Primary School, very good school in Blackpool, all staff are lovely.

Great school, George has really enjoyed his time here.

The school has improved over the last 2 years. My children have settled well.

Everything at the school is a high standard. I am really happy with all my girls' progress at their ages.

A very high standards school experience for CHILD. We think that the school goes above and beyond in caring for her and from what we see other children as well. Miss Fielding is awesome and other teachers are engaging as well. Couldn't be happier for CHILD and in future her sibling to study at this school.

Keep up the amazing work Boundary!

Welcoming reception staff. All brilliant!

Love Boundary, all my kids attended and loved it.

Thank you.

My child is happy and exceeds expectations and has been taught very well

My children have attended Boundary since nursery and the staff are always helpful when needed and my children have flourished in this school. Overall, I am happy.

Boundary has helped and supported my children and I for the last six years in and out of school. Goes above and beyond.

I think something needs to be done around pick up time as when the kids are at the door all parents rush towards the door making it hard for the kids to come out. In the other playground they do it well.

I am little worried in this year as we are not getting adequate answers for our concerns from the class teacher. It makes my kid more stressful. This year his learning and studies are more stressful (shielding) rather than enjoying. Last year he was more enthusiastic with studies but this year he always worries with shielding rather than his achievements.

Enjoys school.

Boundary School very good school.

I am happy about her class teacher and the way she teaches the students but we are unhappy with the club allocations.

Boundary School has been extremely supporting and understanding this year. My child is making amazing progress with the support offered.

My child has only been at Boundary since Year 1 and they have come on brilliantly.

Well done.

Always had great communication and support from all staff members. I feel my child is safe as well as feels safe and gets any support she feels in need of. There are lots of groups and activities.

Think we could make sure kids are being kind at all times and make sure kids are aware how cruel words could be.
