## **Any other comments**

School jumpers – the V-neck should be lower so you can see the tie.

Nursery have been excellent with referrals and assessments for \*\*\*\*\* and very understanding and helpful with his needs.

My two daughters are progressing well. I am happy they are safe and I believe the teachers are working really hard in making sure they are achieving their full potential.

Both my children have grown so much since being at Boundary. Wish I had moved them sooner!

No problems with school. Kids are happy and enjoy all the free clubs that are available to do and the football team and stay and play options.

Great progress made by both our children.

The staff at Boundary are amazing.

My children don't do homework. They learn enough in school.

Staff fantastic, can approach them about anything you need or support with anything.

As amazing as the teachers are I have to give a special mention to the child safety team for all their hard work in looking out for the wellbeing of all the children.

Couldn't fault Boundary, all my children are / have been happy here, never had any concerns, always appropriate support and help when needed.

My child has spent one week at Boundary School and he enjoyed attending the school. I would recommend learning materials to be given to pupils to practice learning activities at home. Thank you very much for the great effort.

My son has come on so well since starting here it is amazing to see all his progress. I am very happy with all staff.

Everything, I am so happy my girls are loving the school and meeting new friends and teachers, are amazing and for that, I am extremely grateful.

The level of communication is not as good as I would like.

My children enjoy coming to school and like their teachers.

My daughter loves it here.

\*\*\*\*\* is happy here and makes good communication with teachers and staff.

Lovely office staff always willing to help, teachers always on hand to talk to about any concerns and are extra helpful with all support we've needed.

My child has come along so much since moving her to Boundary, her reading and writing has exceeded my expectations.

You help my child loads with his needs, on his level and putting things in places to help him at his level.

Really good with communication. Reception team are wonderful and always friendly.

All 3 of our children love the school and the staff are all brilliant and easy to approach.

Only had reading as homework with child. During last term child's teacher was absent for a long period of time which caused some disruption to child's learning routine.

Brilliant school and I am so proud of how well both my children are doing.

I feel some children don't follow the always rules including my own child.

Happy child in Year 3, has always had help via Mrs Bradley whenever I have had concerns at home.

Super happy with the school and if I had any concerns I would happily voice them.

I am not on Facebook so do not receive messages. The new app will not let me download it. The information I receive is what the girls tell me.

My only issue is homework during the holidays; I do not permit my children to complete homework during school holidays, as I believe this is their free time.

Boundary is an excellent school. My child has done exceptionally well all through her time here.

It is an extremely well run school with excellent staff. Cannot recommend it enough.

My child has enjoyed his time at Boundary and he will sadly miss this school when he leaves this year for high school.

\*\*\*\*\* has had a brilliant teaching experience at Boundary over the years and have played a key role in the young lady she has become today.
