

Year 5—Takeover Day

Year 5 Takeover Day was an absolute blast, with the children stepping into the shoes of adults and running the show!

From Class Teachers and Teaching Assistants to even taking on the big role of Head of School, they gave it their all and really rose to the challenge.

It was amazing to see them leading lessons, helping younger pupils, and making real decisions—it felt

like the school was in safe hands!

The day was all part of our ongoing effort to raise aspirations and build those all-important Skills for Life, and judging by the confidence and enthusiasm on display, the future looks very bright indeed!

Y6—Manchester Museum

On Thursday 12th June, Year 6 visited Manchester Museum.

There were lots of different exhibitions to explore, including Ancient Egypt,

Fossils, The Natural World and Ancient Asia.

They were able to link their learning in Science to the fossil and dinosaur section as well as looking at how animals and plants have evolved over time. They had a great time, learned lots and represented Boundary wonderfully.

Health and Wellbeing Week

During Health and Wellbeing Week, the focus was staying active and learning about the importance of physical, mental, and social health. Our youngest pupils had fun making fruit kebabs and exploring movement using the gymnastics equipment. Year 1 and 2 enjoyed exciting scooter workshops, while Year 4 got to experience a skateboard session with professional athlete Elanor!

KS2 students had an amazing time with Jer Coaching during a high-energy Glow Sports session. Year 5 and 6 were visited by the coast guard to learn about beach and water safety, followed by a lesson on healthy smoothies—complete with a ride on the smoothie bike!

A huge well done to all the children for their enthusiasm and energy!

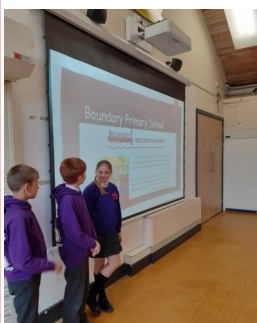

School Council Symposium

A group of our School Council representatives joined children from Stanley Primary School at the Blackpool School Council Symposium, hosted by St Teresa's Catholic Primary School. Our pupils proudly presented to the group, sharing what they have been working on

recently and what issues are important to the children in our school.

What a fantastic opportunity for our children to build confidence, share ideas and collaborate with peers from other schools.

Boundary Summer Fair

A huge thank you to everyone who made our Boundary Primary School Summer Fair such a fantastic success!

To our amazing staff – your hard work and dedication made the evening run smoothly.

To all our families and friends who attended – your support and enthusiasm created a lovely summer atmosphere.

To the generous local businesses who donated raffle prizes – your kindness made our raffle a real highlight.

It was wonderful to see our school community come together for a memorable evening. We're so grateful for your support.

Year 3—Hangar 42 Visit

As part of Heritage Week, Year 3 went to Hangar 42 in Blackpool. They learnt so much about Blackpool during the Second World War and how the RAF operated during the war.

They had sessions on code breaking, evacuees and women at war. The children really enjoyed looking at the different aircrafts and learning how they operated.

Year 6—Leavers

It has been a busy final week in primary school for our Year 6 pupils. They enjoyed a picnic in Stanley Park, danced at their Leavers Disco and gave a fabulous performance in their leavers assembly for parents and carers.

You have been a truly fantastic cohort and we would all like to wish you the very best as you move onto Secondary School. Keep trying your best, we are so proud of you all.

(For more photos see our school website)

Y5—Residential

Some of our Y5 children had a fabulous few days away at Winmarleigh Hall PGL. They enjoyed activities such as Jacob's Ladder, zip lining and den building as well as lots of team building activities. This was a great opportunity for the children to bond with their peers and their Y6 teachers in readiness for September. A fantastic time was had by all and there were a lot of tired faces on their return to school! (See our school website for more photos.)

Fishers Mobile Farm

We were lucky enough for the mobile farm to visit us again this year. The children were all so excited to meet sheep, goats, pigs, rabbits, cows, donkeys and the cutest dog ever!

They stroked the animals, brushed them and learnt some new vocabulary.

As always, the children were impeccably behaved and it was amazing to see their kind and caring approaches towards all the animals.

Choral Speaking Competition

On Tuesday 8th July, we held our annual Choral Speaking competition. The standard was incredibly high this year and all our pupils gave outstanding performances. Our guest judges were blown away. It was a tough decision, but they ultimately declared Year 2 and Year 6 the winners.

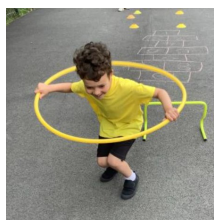

A huge well done to everyone who took part!

Sports Round-up

EYFS, Y1, Y2 and Y3 Sports Day

The children were very excited to take part in sports day! They completed lots of different activities including welly throwing, egg and spoon races, cup stacking, long jump and speed bounce. They all enjoyed taking part and collecting points for their house teams! We would like to say a huge thank you to all parents and carers who supported these events as spectators, it really does help to spur the children on.

School Games Week

Monday 16th June saw the boys football team kick off a week full of sports and very warm weather! The boys played in a series of football matches against other schools. With this being a festival the focus was all about showing resilience and teamwork. The boys were excellent all morning and did themselves very proud.

Some Year 5/6 children visited Tee Time golf to try their hand at some golf skills. Although they found it tricky to begin with, all of the children loved it and grew in confidence at each station. Well done everyone!

Wednesday 18th June saw us back playing football, but this time, it was the girls turn. The girls played 5 matches against other schools and again the focus was all about resilience and teamwork. The girls were excellent throughout and were cheering on other teams throughout the afternoon which was lovely to watch! Well done girls!

Finally, a group of Year 3/4 children headed down to Stanley Park netball pitches to practise their netball skills. After a series of netball skill based stations they played some matches against other schools. The children were excellent all afternoon and did themselves proud!

Key Dates for Autumn 1

September 2025

Tuesday 02/09/25 — School Opens

03/09/25—Parent Drop-In from 3:30 onwards

26/09/25—Macmillian Coffee Morning
